| Exact color name                                       | White                               |
| Design                                                 | Free standing                       |
| Connection voltage (V / Hz)                            | 220 - 240 / 50                      |
| Power (W)                                              | 420                                 |
| Device plug                                            | T12                                 |
| Country plug                                           | CH plug                             |
| Cable length (m)                                       | 1.50                                |
| Fan power consumption (W)                              | 40.00                               |
| Dehumidification performance (L/24 h) measured at 30°C | 20 (gemessen bei 30 °C / 80 % r.F.) |
| Adjustable humidity (%)                                | 30 - 90                             |
| Recommended room size (m3)                             | 125                                 |
| Air flow rate (m3 / h)                                 | 140.00                              |
| Ambient temperature (°C)                               | 5 - 32                              |
| Refrigerant                                            | R290 / 86g                          |
| Air filter                                             | Yes                                 |
| Defrost function                                       | Recirculated air                    |
| External timer switch                                  | Compatible                          |
| Condensation drain                                     | Yes                                 |
| Water tank                                             | Yes                                 |
| Water tank capacity (l)                                | 3.50                                |
| Diameter hose connection (mm)                          | 14 x 18                             |
| Drain hose                                             | No                                  |
